ATTIRE:

"Take Flight" in style, this is a business casual aviation event.

With this attire, we pay tribute to the heroes of the skies and celebrate the spirit of aviation and CP excellence! Elevate your look with your best aviation, modern day pilot or flight crew attire. Gentlemen, consider trousers or khaki pants with a button down shirt, a sweater, or a collared shirt and blazer. Ties are optional. Ladies, plan for a tailored look: slacks with a blouse or sweater, skirt, casual chic dress or pantsuit accessorized with a scarf, jacket or belt.

BASH MISSION STATEMENT:

BASH (Building A Scholastic Heritage) plays a vital role in Prep's ongoing commitment to educational excellence for 1,000 young men, helping to keep their tuition affordable. Each year we provide \$3.5 million in annual financial assistance to over half of our students and families.

Bottom line, all funds raised through BASH go to support financial assistance for our students.

Welcome to BASH 2024!

We are so grateful for the support you are providing to Prep students through this event.

With your help, the dream of a Prep education can stay within the reach of many young men and their families who deserve what we know is a powerful experience for our sons.

THANK YOU!

Decorations

On behalf of our outstanding students, amazing faculty and staff members, and the BASH 2024 Executive Committee, thank you for participating in BASH 2024 Take Flight “Men for Others Soaring to New Heights”!

From now until Saturday, April 20, please bid and buy often via your computer or smartphone at CreightonPrep.org/BASH. As you know, the proceeds of BASH are vital to the financial assistance that over 50% of our students and families depend on.

This year’s “Take Flight” theme is a perfect match for what we do with your support at “Creighton Prep International Airport” to prepare young men for a successful, lifelong journey in the Omaha area and around the world.

Wherever they choose to fly after takeoff at 72nd & Western Avenue, we know they’ll be inspiring others around them with a powerful combination of unshakeable faith, first-class scholarship, compassionate leadership and an orientation toward serving others that they developed here.

I am also pleased to report that the student “passengers” we have the honor to work with this year are the most diverse group in the school’s history and the one that most closely reflects the profile of the Omaha community in which we advance our formative mission.

Current school-year highlights are too numerous to mention here but include hosting of a recent meeting with the Superior General of the Society of Jesus, Fr. Arturo Sosa, SJ, and the leaders of various Jesuit works in Omaha; the announcement of our new north campus athletic track and field facility and the commencement of the project, expected to be complete later this fall; plus, a new partnership with US Sports Camps.

Among the 2023-2024 student success stories to date, eight students were selected as finalists in the National Merit Scholarship competition; 11 were mandated as Extraordinary Ministers of Holy Communion; our CyberPatriots cyber defense teams qualified for gold and silver competitions, and one of our robotics teams finished the regular season undefeated. In addition, Prep teams in the sports of track and field, soccer, lacrosse, cross country, esports, hockey, and swimming and diving captured state titles over the past 12 months; our fine arts students received a staggering 141 regional Scholastic Art & Writing Awards, and the Prep band played for Duquesne University in the first and second rounds of the NCAA men’s basketball tournament.

Thank you again for participating in BASH 2024, and please mark Saturday, April 26, 2025 for next year’s extravaganza in the Heider Center!

Sincerely,

Fr. Matt Spotts, SJ
